SSN MEMBER DUES

The South Shore Neptunes Club annual dues are listed below. Please make out the check in the appropriate amount to "South Shore Neptunes, Inc" or "SSN" and mail it to me at my home address listed below. Any questions, please call me at (617) 884-0697.

Please consider joining the Bay State Council. It is because of the council that you can dive off the beaches in the summer and take lobsters. BSC keeps watch and fights any laws or regulations which are detrimental to divers. BSC has been working with Marine Fisheries and Underwater Archeological Board. BSC has a lawyer on retainer who has been keeping watch on any laws that will affect diving in MA. Your dues help BSC to continue its work. **Please become a member of BSC and help keep us diving and taking lobsters in MA!**

Thank you.
